

# OUR LLMs

LLM LEGAL PRACTICE  
(CONFLICT RESOLUTION)

LLM LEGAL PRACTICE  
(INTELLECTUAL PROPERTY)

## MASTER ENGLISH LAW WITH OUR NEW FULL-TIME LLMs

- **Get essential grounding in English law** unlike other LLMs where prior legal training is required
- **Gain insight into the latest developments** in conflict resolution or intellectual property law
- **Develop essential professional skills** in analysis, problem-solving and research to determine client-focused solutions
- **Focus on legal practice**, rather than theory, looking at issues in realistic, client-based contexts
- **Fund your studies** with a postgraduate student loan\*

### CHOOSE FROM TWO AWARDS:

- **LLM Legal Practice**  
(Conflict Resolution)
- **LLM Legal Practice**  
(Intellectual Property)

The course will deliver a Master's level insight into different aspects of your chosen specialist field: conflict resolution or intellectual property law. The programme will combine taught modules on key fundamental principles of English law, dispute resolution/ intellectual property and related commercial topics, with a dissertation on an aspect of your specialist area of your own choice from a list of provided topics.

# A FLEXIBLE STUDY OPTION

These courses are available full-time at London Moorgate from March. If you wish to study 100% online, we have two Online LLM Legal Practice courses available. Refer to our [Online LLMs leaflet](#).

## ASSESSMENTS

The taught modules are each assessed by a written coursework assignment (6,000 words each).

The Professional Practice Dissertation module will be assessed by submission of a dissertation (7,500 words). The Professional Practice Dissertation provides an opportunity for sustained, in-depth and intensive investigation into, and reflection upon, a specialist area of legal practice related to conflict resolution or intellectual property, depending on the award chosen. It is supported by an online study unit on research methods.

## COURSE FEES

Our course fees include tuition, textbooks, interactive learning resources, and first attempt assessment fees.

LLM students may be eligible for a postgraduate student loan.
