

OUR ONLINE LLM

MASTER OF LAWS IN LEGAL PRACTICE

WHETHER YOU ARE A LAW GRADUATE OR QUALIFIED LAWYER, OUR MASTER OF LAWS (LLM) IS AN EXCELLENT WAY TO DEVELOP THE IN-DEPTH KNOWLEDGE AND SPECIALIST SKILLS TO **STAND OUT** IN A COMPETITIVE JOB MARKET.

CHOOSE FROM TWO ONLINE MASTER OF LAWS PROGRAMMES:

- **Online LLM** in Legal Practice (Conflict Resolution)
- **Online LLM** in Legal Practice (Intellectual Property)

Each programme will deliver a Masters-level insight into the different aspects of your chosen specialist area, combining online modules, research methods and related commercial topics. By studying one of our LLMs, you will be able to demonstrate your expert specialist knowledge to potential employers through your own dissertation on a specific area of current legal practice.

LLM IN LEGAL PRACTICE (CONFLICT RESOLUTION)

COMPULSORY MODULES

- International Arbitration Practice
- Professional Practice Research Methods

Choose two of the following optional modules:

- International Intellectual Property Practice
- International Commercial Law & Practice
- International Competition/Anti-Trust Law & Practice
- International Joint Ventures

LLM IN LEGAL PRACTICE (INTELLECTUAL PROPERTY)

COMPULSORY MODULES

- International Intellectual Property Practice
- Professional Practice Research Methods

Choose two of the following optional modules:

- International Arbitration Practice
- International Commercial Law & Practice
- International Competition/Anti-Trust Law & Practice
- International Joint Ventures

FLEXIBLE STUDY OPTIONS

This is an online course, so no attendance at our centres is required. Choose to study either of our LLMs over a period of up to five years, commencing from July 2017 or January 2018. This flexibility means you can fit your study around existing work or other commitments.

ASSESSMENTS AND EXAMS

For each of the modules, there will be a Module Assignment requiring completion of a series of drafting tasks, and also the completion and submission of a portfolio in the subject area. The Research Methods module will be assessed by submission of a detailed written dissertation proposal. The dissertation (15,000 words) is assessed by submission of the dissertation itself.

COURSE FEES

Fees include online tutor supervision, online course materials, learning resources and all first attempt assessments.

For information on scholarships, paying fees and funding options, visit law.ac.uk/funding

ONLINE STUDY

We are committed to delivering comprehensive online support services, providing you with advice and assistance as you progress through the programme. Benefit from:
